## **Jamil Lacourt**

*Executive vice president and director of construction, L&L Holding Company*

Jamil Lacourt joined L&L in June to manage its newly formed construction division. In this role, he is in charge of developing methods for establishing uniform reporting practices, bidding, budgeting, contractor and subcontractor relationships, and executing construction for L&L's growing commercial real estate portfolio. Lacourt previously was head of project management for OC Development Management, where he led the expansion of 150 Fifth Ave., the base building redevelopment of 368 Ninth Ave. (Penn Plaza) and 695 Sixth Ave., in addition

to the redevelopment of 780 Third Ave. During his 20-year career Lacourt has done work for Stanford University, Mexico City-based BBVA Bancomer, World Wrestling Entertainment and Madison Square Garden. He headed the construction at Maimonides Medical Center in Brooklyn.
