OFFICE SPACE-"Redesigned 390 Madison Ave. snags another trophy tenant," by New York Post's Steve Cuozzo: "The law has spoken at 390 Madison Ave. - and developer L&L Holding Co. has for the second time snared a trophy tenant from an older East Midtown address. Hogan Lovells, now at 875 Third Ave., has signed a lease for 206,720 square feet at 390 Madison, the unrecognizably redesigned tower that was previously known as 380 Madison. The law firm will move its entire staff to 390 Madison when it's completed in 2018. The deal for floors 7-12 will include two of the all-new tower's eight major terrace areas."
